Iconic Interiors: the Kameha Grand Zurich experience!

Due to open in 2015, the Kameha Grand Zurich carries Marcel's stylistic signature. Majestic, festive and unpredictable decors act as backdrop for a series of Swiss-inspired elements, such as chocolate-patterned wall paneling, mini-bars modeled after a safe, lamps that resemble oversized cow bells, Toblerone shaped sofas, among others.

Throughout the 224 guest rooms, 2 executive suites, 6 state-of-the-art business suites, conference and event spaces, an Italian and a Japanese gourmet restaurants, a bar, a smoker's and shisha lounge, a spa and 11 themed suites Marcel created a series of bespoke interiors.

Each space is carefully orchestrated featuring warming woods, a mix of custom-made furniture, tactile upholstery, iconic lamps and stylish sofas. The passion for detail plays an important role in the overall concept. As Marcel says about the project: "Others deliver an interior design, but we offer a reason for a visit, we create a destination."
