## **No matter how you live life, it happens from your Sofa So Good**

Sofa So Good, by Marcel Wanders studio, includes eight different upholstered modules, two tables and three shelves. The tables and shelves are available in six different wood finishes. An eclectic range of fabrics to choose from—like the newly added colours in the Extinct Animals Fabric Collection—completes the set-up. Sofa So Good is endlessly versatile and is suitable for any interior. In Moooi's online configurator you don't just create a sofa; you create a personal space tailored to your needs.

## **Featherlike softness and generous proportions - A story of contrasts**

Sofa So Good is a story of contrasts with its curvy softness in a linear framework. High quality materials: a distinct foam composition and expert craftsmanship of the steel frame, create a sturdy but feather soft sofa made of generous proportions.

## **We've expanded the Extinct Animals Fabric Collection**

We've expanded our Extinct Animals Fabric Collection. The jacquards and the Menagerie of Extinct Animals Velvet will be available in a range of new colours. The Bearded Leopard Jacquard was already available in warm Mustard, and now also comes in deep shades of Blue and Grey. The originally creamy Dodo Pavone Jacquard is available in two additional cool shades: Light Grey and Grey. The midnight Blue of the Calligraphy Bird Jacquard is complemented by two warm colours; Powder and Plum and a rich

Grey. The Menagerie of Extinct Animals Velvet now also comes in Ivory. Sofa So Good is available in all new colours of the Extinct Animals Fabric Collection.

On top of the new colours, we've added a brand-new fabric inspired by the Indigo Macaque, Rendezvous Tokyo Blue. Influenced by Oriental art and denim textures, this rich velvet shows a lush Japanese forest brimming with life and movement.
