

Inspired by glinting ice crystals, the crisp atmosphere of winter and brilliant white snowscapes, “**Brrr**” is a mature, fresh and vibrant fragrance. The orange and bergamot top notes blend into the notes of lily of the valley and cedar wood before closing in the sensual embrace of musk and amber. “Brrr” is a bubbly and bright fragrance for every room.

“**Ahhh**” is a secret magic garden that has just begun to blossom in the spring. Young and delicate, it has top notes of fig, pepper, bergamot and cardamom. There is rose, hyacinth and peach in the flowery and fruity heart of the fragrance, rounded off by notes of sandal, patchouli, musk and vetiver. This scent brings new vibrancy and verve to our everyday lives.

Vibrant, hearty, warm and inviting, just like a luxuriously enveloping summer bouquet, “**Hmm**” opens with a blend of figs, blackcurrant and davana, which transforms into a bold heart of berries, tomato leaves, cyclamen and coconut milk before closing with woody and musky notes. A wonderful journey that reveals the beauty of the most luxuriant of the seasons.

As fiery as a crackling flame, as glorious as the colours of an autumn wood, “**Grrr**” is a complex, smoky and sensual fragrance. Incense and prickly juniper introduce a dense heart characterised by lignum vitae and cedar wood, vetiver and nutmeg. Sumptuous notes of vanilla and tree moss define the background notes in sumptuous harmony.

The fifth season, special and with its distinctive black colour, is mysterious, spiritual and transcendental. “**Shhh**” communicates with our souls through fleeting hints of eucalyptus and cloves that open into enchanting rose. Notes of cedar wood, patchouli, sandal and fine woods bring an immersive and contemplative dimension to its finish.
