# Product Descriptions

## Reverie Lounge Chair

This oasis for one is perfect for relaxing in any setting. It is made with a resin wicker shell that features one of four custom patterns. The chair is supported by an aluminum frame with die casted legs. The soft, yet durable pillows surround people on three sides to offer comfort from every angle.

## Reverie Sofa

This two-seater sofa allows people to find peace together. It is made with a resin wicker shell that features a custom pattern. The ends of the chair are angled to allow for reclining. The chair is supported by an aluminum frame with die casted legs. The soft, yet durable pillows support the body in any position.

## Reverie Chaise Lounge

This lounge chair adjusts to meet your desire for comfort. Its resin wicker shell features a custom pattern designed with three sections. One section rotates allowing for different angles of relaxation. The piece is supported by an aluminum frame with die casted legs.

## Reverie Daybed

Rest in this bed that surrounds you in comfort. The daybed is offered on a woven base or as a swing, creating an elevated nest of relaxation. The big pillow in the middle serves as a center piece mattress. At the same time, pillows on every side create a cozy sanctuary.

### Reverie Round & Square Tables

A resin wicker basket sits atop a conical base. With a glass top, the pattern of the basket and base can be seen from above. The set is designed in four unique sizes allowing for combinations to be made. With different heights and a glass or teak top, the collection includes coffee tables and side tables.
