About Marcel Wanders

Marcel Wanders is a leading product and interior design studio located in the creative capital of Amsterdam, with over 1,900 + iconic product and interior design experiences all around the globe for private clients and premium brands such as [Alessi](#), [Baccarat](#), [Bisazza](#), [Christofle](#), [Kosé Corporation/ Decorté](#), [Flos](#), [KLM](#), [Hyatt Hotels Corporation](#), [LH&E Group](#), [Louis Vuitton](#), [Miramar Group](#), [Morgans Hotel Group](#), [Puma](#) among scores of others.

Under Marcel Wanders and Gabriele Chiave creative leadership and direction, Marcel Wanders employs 52 design and communication experts. In an environment where everyone perceives, breathes and lives creativity across a multitude of projects from in-flight tableware to cosmetics packaging to hospitality interiors.

Marcel Wanders' 30 years of design are celebrated in some of the most renowned art and design museums, including [Centre Pompidou](#) FR; [Cooper-Hewitt National Design Museum](#), US; [Metropolitan Museum of Art](#), US; [Museum of Arts and Design](#), New York, US; [Museum of Modern Art](#), US; [Pinakothek der Moderne](#), Munich, DE; [Stedelijk Museum](#), Amsterdam, NL; [Oita Prefectural Art Museum](#), JP among others.

Regarded by many as an anomaly in the design world, Marcel Wanders has made its mission to “create an environment of love, live with passion and make our most exciting dreams come true.” This work excites, provokes, and polarises, but never fails to surprise for its ingenuity, daring and singular quest to uplift the human spirit, and entertain.

Marcel Wanders’ chief concern is bringing the human touch back to design, ushering in design’s ‘new age,’ in which designer, craftsperson and user are reunited. In his process, Marcel Wanders defies design dogma, preferring instead to focus on holistic solutions rather than the technocratic. In this universe, the coldness of industrialism is replaced instead by the poetry, fantasy and romance of different ages, vividly brought to life in the contemporary moment.
